WATERBROOK ART EXHIBITION

10AM - 4PM

Waterbrook Presents

Waterbrook is proud to present in conjunction with Oatley 101 Art Society of Artists Inc., an art exhibition at our Yowie Bay Resort. The event is open to all artists resident in Australia and will attract hundreds of visitors keen to see the magnificent works on display.

The theme of "Water" for this Exhibition was inspired by the fact that Water is integral to the life & landscape of Waterbrook Resorts.

Our characteristic brook cascades through our gardens, creating, energy, colour and movement whilst also offering sanctuary to our Koi fish in calm reflective pools, and this engenders a feeling of wellbeing to all who live at or visit Waterbrook.

Invite family & friends to experience the exhibition and the Waterbrook difference.

For the information of Residents and their Guests.
